

Dennis Warner in Concert!

Musician/Author Dennis Warner will be appearing in concert at your elementary school soon!

One of Dennis' songs, "Beads on One String" is also a children's picture book drawing praise nationally from parents and educators alike for its meaningful, positive message of how much we have in common with each other. Beautifully illustrated by artist Alison Love Unzelman, the book also includes the sheet music and a CD of the fun, up-tempo song.

Highlights from Warner's career include many TV and radio appearances, along with an invitation to perform in concert at the prestigious KENNEDY CENTER in Washington, D.C. Following the success of his 2012 release "Seeds", named one of the top CDs in folk music based on radio play, Dennis released his 10th album "Beep Beep" in 2015. Please visit his website to listen to sound clips and to learn more about his career: www.WarnerSongs.com

At Dennis' appearance, seven of his CDs along with the book will be available for purchase at discount rates. A portion of the purchase price will be donated back to help our school! If you would like to pre-order so Dennis can sign your purchase, please return this coupon with cash or check **payable to Dennis Warner** before the concert.

This should be a fun and educational event!
